- Sis. Juliana has a rather **large collection of keys that people have left here at church over the years**. If this may be you and you'd like your keys back, please check the manila envelope on her desk, and take what you need. If you see any keychains that look familiar, please notify the owner. Most of these have been in the secretary's desk for many months. She'll be disposing of them on Aug. 14.
- **Pastor's 12th Anniversary Celebration is September 26-27**. Members are asked for a \$60.00 sacrificial love offering. Special guests are Rev. Clyde Tate of Canton, MS, and Rev. Phenues Bush of Bloomington, IL. Stay tuned for more details.
